GENERAL AUTHORITY TO INSPECT PROJECT SITE

I hereby authorize the Board of Governors of the Plantation Hills Village Association (PHVA), and/or the members of the Building Committee, and/or their duly designated representatives such as their Engineer/s, members of the Security Personnel, etc. to do the following relative to the construction/renovation/demolition to be undertaken/presently going on at my property, to wit:

1. To enter my aforementioned property at any time to inspect the ongoing construction/renovation/demolition for any violation of the Deed of Restrictions;
2. To allow members of the PHVA Security Detachment to enter my aforementioned property and inspect the same at night to verify whether or not I am/or my workers are complying with the two (2) watch man rule on workers staying overnight;
3. To conduct inspection of workers and ongoing works and see to it that all the building rules and regulations are properly followed;
4. To charge to my account and/or cash bond expenses for restoration of the sidewalk/drainage and/or street and the cleaning/unclogging of the Village drainage;
5. To charge to my account and/or cash bond penalties levied for violations discovered/noted, in accordance with the schedule provided me; and
6. To bill me in case my cash bond shall not sufficiently cover all the expenses and penalties for which I am responsible by reason of my applied-for project.
